AUTOPAY ENROLLEMNT  
TERMS AND CONDITIONS

By enrolling in the Hyundai Motor Finance ("HMF", "we", "us", "our") AutoPay program, You agree to the following terms and conditions:

1. Payments made under the AutoPay program are processed by HMF's third party provider, Speedpay Inc. ("Speedpay"), and You authorize us to provide Speedpay with Your personal information (including deposit account information) in order for Speed pay to process Your payments. Speedpay may, from time to time, communicate with You regarding Your payments to HMF.
2. For any questions or disputes related to the AutoPay, please contact the HMF Customer Service Department at (800) 523-4030.
3. Each recurring payment must be in an amount between \$1.00 and \$25,000.00.
4. You may make multiple payments to Your HMF account at any time.
5. If Your HMF account is past due (one or more days past the payment due date):
  - a. You may only make one-time payments to your account.
  - b. You must pay the full minimum amount required to bring Your HMF account current.
  - c. You may not set up AutoPay payments until Your HMF account is current.
  - d. If Your HMF account is more than 60 days past due, unless You have a separate payment or extension agreement with us, any collection or repossession efforts will continue until Your payment clears Your bank or other financial institution and is applied to your HMF account.
6. If Your HMF account is current, You may schedule AutoPay payments to be made on a monthly basis.
7. If payment is made by or before 5:00 p.m. Eastern Time (ET) on any day other than a holiday or weekend ("business day"), Your HMF account will be credited as of the same date the payment was submitted. Payments submitted after 5:00 p.m. ET on a business day, or on holidays or weekends will be credited to Your HMF account as of the next business day. Updates to account balances and transaction posting may take up to two (2) business days.
8. Each payment transaction will be processed as an electronic fund transfer (EFT).
9. When using AutoPay to pay Your HMF account, You authorize us to increase or decrease Your AutoPay payment amount as necessary to ensure payment of your monthly statement in full. Increases or decreases may occur if, for example, there is a change in the sales, use, rental or other tax rate in Your area or if You have moved and are subject to different sales, use, rental or other taxes. It is Your responsibility to review Your monthly account statement to verify the amount due and confirm that You will have a sufficient balance in Your bank account to satisfy the next scheduled AutoPay payment.
10. AutoPay payments typically cover Your regular monthly payment and applicable sales, use, rental or other taxes, if any. You may not use AutoPay to pay for any additional items that may have been assessed to Your HMF account, such as property taxes, registration fees, parking citations or other charges. You must pay for these additional items separately with a one-time payment or other payment method that we accept.
11. You represent that the deposit account information You provide when making a one-time payment or scheduling AutoPay payments is an account from which You are authorized to make payments ("Your bank account"), and any payment You make will debit that account. You should review the agreements You have with Your financial institution that maintains Your bank account for any applicable fees, for limitations on the number of transactions that You can make and for any other restrictions that might limit Your ability to make payments to HMF.
12. When You set up AutoPay, You authorize us to withdraw or debit the necessary funds from Your bank account for as long as necessary to complete Your payment obligation to us. You may revoke this authorization only by notifying us as provided in the following paragraph (13).
13. You may cancel any scheduled one-time payment or AutoPay payment by calling our Customer Service Department at (800) 523-4030 prior to 10:15 a.m. Eastern Time on or before the date the payment was scheduled to be made. By cancelling a scheduled AutoPay payment, You revoke Your authorization for us to make recurring payments and are responsible for scheduling all future payments.
14. You represent that when You instruct us to make a withdrawal from or debit Your bank account, there will be a sufficient balance in the account at the time we make the withdrawal or debit. If any payment is returned by Your financial institution for any reason, we may charge Your HMF account a returned check, processing or insufficient fund fee as set forth in Your retail installment sales contract or lease agreement.
15. If You do not have sufficient funds available in Your designated bank account, we may at our option make another attempt to make a withdrawal from or debit Your bank account. If we cannot process a transaction due to insufficient funds, You are responsible for making alternate payment arrangements in a timely manner. We are under no obligation to inform You if a payment is not completed due to insufficient funds. We reserve the right to cancel Autopay on Your bank account after two unsuccessful consecutive attempts to debit Your bank account.
16. Except to the extent imposed by applicable law, HMF shall have no liability to You with respect to a debit against Your bank account which is drawn in an incorrect amount or drawn after You have revoked authorization for AutoPay, other than the responsibility to correct any error.
