Plans available to fit your driving and lifestyle needs

Flexible plan options are available to match your driving habits and the factory's recommended service schedule for your Hyundai vehicle up to 7-years/105,000 miles. Ask your Hyundai dealer for more information about the plan that is right for you.

An easy way to maintain your Hyundai vehicle and warranty.

Even with Hyundai's reputation for quality and reliability — backed by America's Best Warranty™ — your vehicle still requires routine scheduled maintenance. Pre-Paid Scheduled Maintenance offers you a valuable maintenance solution while keeping your Hyundai vehicle running smoothly and in compliance with the factory warranty.

Pay less now instead of more later

Best of all, by pre-paying for your maintenance plan:

- **Avoid the higher cost** of future services and get tomorrow's services at today's prices
- **Monthly payment option** if you include the product price with your auto financing

Hyundai-backed maintenance you can trust

- Coverage of all scheduled maintenance items listed in your Hyundai owner's manual¹
- Services performed by factory-trained technicians, who comply with all factory warranty requirements
- Nationwide service available at all participating dealers
- Transferable coverage may add to your vehicle resale value if you sell your vehicle to a private party

Coverage exclusions may apply²:

- Mechanical breakdown repairs, whether or not the repairs are associated with a covered service
- Any upgraded or extra-cost products used during a covered service
- Any covered service not performed within 5,000 miles or 6 months of the scheduled service interval
- Replacement of items when the recommended inspection indicates a need for replacement and the inspection does not occur at an interval specified in the Owner's Manual for replacement

Regular Maintenance improves your vehicle's handling and performance

Proper maintenance can extend the life of your vehicle, improve your gas mileage and ensure that your car maintains its value. Pre-Paid Scheduled Maintenance will help keep your vehicle in tune and keep you safely on the road.
