
HYUNDAI PROTECTION PLAN

Theft Protection

The true cost of auto theft goes beyond the loss of your vehicle.

If your new Hyundai is ever stolen, and your insurance company follows common industry practices, they will likely only cover your vehicle's market value at the time of the loss. The coverage offered by your insurance company may leave you fully responsible for other expenses such as your insurance deductible, the interest on your loan, various fees, and sales tax for your replacement vehicle.

Fortunately, Theft Protection offers you a theft deterrent system that helps to minimize your losses, plus a Limited Warranty that gives you up to a \$5,000 benefit.

Our Theft Protection system ensures peace of mind

- **Distinctive anti-theft warning window decals** used to deter theft
- **Vehicle marked with identification codes**
- **Up to \$5,000¹ Limited Warranty Benefit** if the Theft Protection system fails to prevent the theft of the vehicle and the vehicle is declared a total loss because either the vehicle is not recovered or it is recovered but damaged beyond reasonable repair (availability may vary by state)
- **Transferable coverage** may add to the resale value of your vehicle
- **Choose the plan that's right for you**, with coverage options up to five years
- **Monthly payment** option if you include the product price within your auto financing

¹ Limited Warranty Benefit availability and calculation may vary by state. If the covered vehicle is purchased as a used vehicle, the Limited Warranty Benefit will be the lesser of \$5,000 or the actual cash value of the covered vehicle on the date of loss.

Protecting your investment

The following illustrates how the Theft Protection Limited Warranty Benefit can cover outstanding out-of-pocket costs if your vehicle is stolen and declared a total loss:

| Payoff deficiency | + \$2,000 |
